UNITED NATIONS

24 OCTOBER: CELEBRATE UN DAY!

UN Day marks the anniversary of the entry into force in 1945 of the UN Charter, the founding document of the Organization. Signed in San Francisco by 51 Member States, the Charter lays out the main goals of the United Nations to maintain international peace and security, to protect human rights, to promote sustainable development, to deliver humanitarian aid, and to uphold international law. How will you celebrate UN Day?

THE SUSTAINABLE DEVELOPMENT GOALS (SDGs)

In September 2015, countries adopted a set of 17 goals and 169 targets to end poverty, protect the planet, protect and build peace, enable partnerships and ensure prosperity for all. Set to be completed by 2030, the goals have their own set of targets by which to measure success. What is YOUR favorite SDG?
